**T**His Auction will begin the 6th. day of June, 1681. at the Pelican in Little-Britain, at the hours of Eight in the Morning, (if there be but twenty Gentlemen present) and at Two in the Afternoon, and we doubt not but to have sold all in Three days time, if the Gentlemen will be pleased to come at the hours appointed; for many by expecting the Auction would last long, have confessed they have lost the opportunity of Buying for themselves and their Friends, by coming or sending too late, and would afterwards have given double what they were sold for if they could have had them. The Books may be seen (at the place above-named) the Week before the Auction begins, at any time of the day: The Conditions follow.

First, That he who bids most is the Buyer, and if any Difference ariseth, the same Book or Books to be again expos'd to sale.

Secondly, That the Books in this Catalogue (not otherwise expressed) are, for ought we know, perfect; but if any of them appear to be otherwise before they be taken away, the Buyer shall have his choice whether he will leave or take the same.

*Thirdly, That the Money for the Book or Books bought, is to be paid by the Buyer within one Month after the Auction or Sale is ended, at the Pelican in Little-Britain, London, where upon payment thereof, the Book or Books bought shall be ready to be delivered, within the Month aforesaid.*
